Since 2011, the United Nations Alliance of Civilizations (UNAOC) and the BMW Group have engaged in a historic partnership geared towards creating a new model for collaboration between the private sector and the UN system. Together, and towards achieving the Sustainable Development Goals, they have established the BMW Group Award for Intercultural Innovation, in support of the Alliance of Civilizations, under the auspices of the United Nations. 12 years later, the partners are launching the Intercultural Innovation Hub (IIH), formerly known as the Intercultural Innovation Award, which will continue its legacy in selecting innovative grassroots projects that encourage intercultural dialogue and work toward a more peaceful world, by rejecting violent extremism, embracing diversity and promoting inclusive societies.

UNAOC and BMW Group, supported by Accenture, mobilize their resources, time and networks to strengthen the selected projects. This new model of collaboration between the UN and the private sector creates deeper impact, as all partners provide their respective expertise to ensure the sustainable growth of each project.

Eligible to apply for the Intercultural Innovation Hub are not-for-profit organizations implementing projects focused on promoting intercultural dialogue and fostering diverse and inclusive societies, and who are willing to expand their range of action. Examples include projects in the fields of promoting gender equality, preventing xenophobia, violent extremism, and hate speech, promoting the use of sport, art and culture as tools to drive social change and foster social inclusion, supporting the LGBTQI+ community and building disability-inclusive societies. The Intercultural Innovation Hub does not support one-time events (e.g. festivals, events, conferences. etc.).
THE INTERCULTURAL INNOVATION HUB

The Intercultural Innovation Hub will select up to ten recipients.

The main objective of the Intercultural Innovation Hub is to connect, empower and elevate innovative civil society organizations. IIH identifies and supports innovative projects that are already being implemented and have potential for expansion and replication. Selected organizations should implement the project with the overall goal to sustainably expand and adapt to other contexts. Projects presented within this call must have shown successful outcomes during at least its first year of implementation.

Recipients will benefit from a comprehensive one-year capacity-building program aimed at strengthening their work. The support program will consist of funding, training and capacity-building, customized support and mentoring, and membership to the “Intercultural Leaders”. After the one-year support program, alumni of the IIH will still benefit from their Intercultural Leaders membership, which gives access to a community of change makers working in the field of intercultural dialogue.

FUNDING
Recipients will receive funding to be used for project expansion and/or replication of their project. The total amount of the funding pool is up to USD 200,000 distributed evenly between the finalists.

TRAINING AND CAPACITY BUILDING
In order to increase the effectiveness of selected organizations in their work, UNAOC and the BMW Group, supported by Accenture, will develop a detailed capacity-building program. Recipients will gather during the one-year support to participate in capacity-building workshops addressing topics such as scaling up, leadership, strategy and planning, monitoring and evaluating for results, effective use of social media, etc. Workshops will be facilitated by expert trainers as well as BMW Group and Accenture associates.

CUSTOMIZED SUPPORT AND MENTORING
A detailed needs assessment will be conducted with each of the recipients after the Intercultural Innovation Hub’s Ceremony. The specific support received will also depend on the individual needs of the projects. UNAOC and BMW Group, supported by Accenture, will then mobilize additional resources to help those organizations achieve their goals. In addition, the Intercultural Innovation Hub’s pool of experts will offer project-related assistance and organizational development advice, in order to increase the effectiveness of selected organizations in their work to expand or replicate their project.

RECOGNITION AND VISIBILITY
Selected organizations will be invited to participate to a ceremony celebrating their work. They will also be supported in the development and implementation of a communications plan by BMW Group communications specialists.

Finally, recipients might also be invited to participate in regional or global events which can serve as platforms to increase the visibility of their work (such as the One Young World Forum).

MEMBERSHIP TO “INTERCULTURAL LEADERS”
Alumni will become members of “Intercultural Leaders”, a project of UNAOC in partnership with the BMW Group. Intercultural Leaders is an exclusive skills and knowledge-sharing platform for civil society organizations and young leaders that work on addressing cross-cultural tensions. Through an innovative online system, Intercultural Leaders harnesses the solidarity of its members to maximize the impact of their work and help them foster cross-cultural understanding and cooperation. Intercultural Leaders allows its members to:

1. Be part of a unique community of change makers;
2. Connect with other organizations and individuals, learn about other projects, programs and initiatives and collaborate with them;
3. Post their organization’s needs and receive support from experts, enabling organizations to maximize their impact;
4. Get notified of opportunities: competitions, grants, conferences, etc.
The selection process for the Intercultural Innovation Hub is guided by the principles of fairness, transparency and integrity. The steps outlined are intended to retain the integrity of the process whilst preserving a level of flexibility in the creation of an open and effective competitive procedure.

The selection process is composed of the following steps:

**ELIGIBILITY SCREENING**
All submissions will be rigorously assessed using the eligibility criteria. Applicants must meet all eligibility criteria outlined below in order to be considered.

**SHORTLISTING**
Based on the written submissions and accompanying materials, a maximum of 30 applications will be shortlisted by a diverse pre-selection committee composed of the following: one member from UNAOC, one member from the BMW Group, one member from Accenture and a selected number of experts.

*Only shortlisted applicants will be notified.*

Shortlisted applicants will be required to provide further documentation, including but not limited to the organization’s budget, draft budget for the use of funding and work plan (templates to be provided).

**SELECTION OF FINALISTS**
Up to ten finalists will be selected by an international jury of experts and one member of both UNAOC and the BMW Group. Applications will be assessed using a comprehensive set of criteria outlined below.

*Shortlisted applicants will be interviewed in the final stage of evaluations.*

Organizations that submit a project to the competition need to fulfill each and every one of the following criteria to be deemed eligible:

**ORGANIZATIONS’ ELIGIBILITY CRITERIA**

**Status**
Be registered as a non-for-profit organization such as a non-governmental organization, charitable organization, research and educational institution, labor union, indigenous group, faith-based organization, professional association, foundation and local or municipal branches of government.

**Length of operation**
Applying organizations must have been operational for a minimum of 2 years before November 2022; with funding base and project implementation (i.e. the organization must show registration as non-profit in their country of operation by November 2020 or earlier).

**Field of action**
Eligible to apply for the Intercultural Innovation Hub are not-for-profit organizations implementing projects focused on promoting intercultural dialogue and fostering diverse and inclusive societies, and who are willing to expand their range of action. Examples include projects in the fields of promoting gender equality, preventing xenophobia, violent extremism, and hate speech, promoting the use of sport, art and culture as tools to drive social change and foster social inclusion, supporting the LGBTQI+ community and building disability-inclusive societies. The Intercultural Innovation Hub does not support one-time events (e.g. festivals, events, conferences, etc.).

**Past UNAOC or BMW Group support**
Organizations that have previously received any UNAOC support are not eligible to apply to the Intercultural Innovation Hub. These other UNAOC distinctions include, but are not limited to, Living Together Peacefully in a Diverse World Prize, Youth Solidarity Fund, Entrepreneurs for Social Change, Create UNAOC and PEACEApp. Organizations that have previously received a BMW Group award for Intercultural Learning/Commitment are not eligible to apply to the Intercultural Innovation Hub.

**PROJECTS’ ELIGIBILITY CRITERIA**

**Sustainability of the project**
The Intercultural Innovation Hub does not support one-time events (e.g. festivals, events, conferences, etc.).

**Funding**
IIH does not provide base funding. It does not fund projects that have not been implemented yet. Projects submitted within this call should have been launched for at least 12 months by November 2022 (i.e. projects submitted must have started on November 2021 or earlier).

**Past UNAOC support**
Projects that have been submitted to previous editions of the Intercultural Innovation Hub (in this case the Intercultural Innovation Award) and were not selected are eligible and encouraged to apply again.

Capacity Building Workshop in Munich, Germany
EVALUATION CRITERIA

Shortlisted projects will be evaluated against a comprehensive set of criteria, scoring a maximum of 100 points. Shortlisted organizations will be requested to provide supporting evidence of meeting the criteria below. These criteria include three main categories:

THE ORGANIZATION (30 POINTS)

**Organizational structure:** is capable of achieving the goals set in the project.

**Commitment to a diverse and inclusive society:** has proven interest and commitment in fostering diverse and inclusive societies (e.g. past reports, reference letters, etc.).

**Work plan and budget:** has set a realistic budget to replicate or expand the project.

**Transparency:** has made genuine and demonstrated efforts to adopt a policy of transparency.

**Equality:** has adopted equality and diversity policies as reflected in staff members, membership and activities.

THE PROJECT (60 POINTS)

**Relevance:** is appropriate for the targeted audience and in the local context where implemented, taking into account the necessity of the project, challenges posed by Covid-19, and which SDG it is tackling.

**Quality:** undertakes an in-depth analysis of problems/issues and set a consistent intervention strategy.

**Clarity:** sets clear objectives and draws a logical connection between activities, outputs and outcomes.

**Innovation:** pushes beyond typical approaches and excels in the use of original and novel methods (social media, arts, pedagogical approach, innovative training, etc.).

**Measurability:** impact of the project is measurable (i.e. number of beneficiaries, polls on attitude change, assessment of behavioral changes, clear policy changes, etc.)

**Sustainability:** demonstrates ability to be sustainable in the mid-long term.

**Replicability:** has the capacity to be replicated and scaled-up in different settings. This is a key evaluation criterion.

THE APPLICATION TEXT (10 POINTS)

A total of 10 points will be awarded to applications which demonstrate clarity, conciseness and persuasiveness. The application text must show an effective communication of ideas and provides relevant examples, provide clear and concise responses to questions, and include insightful arguments and engaging narrative.
